Discretionary Nonresident Student Attendance Policy

The Board, recognizing that its resident students need an orderly educational process and environment, free from disruption, overcrowding, and any kind of violence or disruptive influences, hereby establishes criteria for the discretionary admission of nonresident students.

Requests for Admission

Any out-of-District student may apply for admission to Anderson School. The Administrator will ensure that a copy of school policy regarding an out-of-District application, a letter of request, and the application form will be given to the applicant family when the family makes a formal request to the District. Application forms are available at any time. Requests for the upcoming school year shall not be submitted prior to the first day school resumes in January preceding the fall for which enrollment is applied. Requests received after this time will be acted upon in the order in which the request was received. Each completed application form will be dated upon delivery to the school office. Requests by out-of-District students for District attendance will be reviewed in accordance with §§ 20-5-320 through 20-5-324, MCA. The Board will review this information before making a decision. Requests for the upcoming year may be heard beginning at the April Board meeting. If a request is approved by the Board, approval will be given for one (1) school year or for the remainder of the current school year. Out-of-District students must reapply each year for admittance.

Conditions for Accepting Out-of-District Students

The following conditions must be met before an out-of-district request will be approved.

1. The school must have adequate resources and facilities to properly serve the student.
2. Acceptance of the student will not violate state accreditation class size recommendations.
3. Acceptance of the student will not cause any class to exceed fire code occupancy limits.
4. The student must be in good standing in his/her current school. The District will examine a student's records from previous school districts before any Board approval for admission.
5. The student's tuition for enrollment in the school district for the previous school years has been paid in full.
6. A parent or guardian must agree to provide transportation for the student. Bus transportation will not be provided to and from the residence of an out-of-district student unless their residence is on an existing route and there is room on the bus.

Conditions for Terminating Out-of-District Student Positions

Out-of-District students will be discharged:

1. If the school is unable to provide the resources and facilities specified in policy criteria for class size, students will be discharged in reverse order of acceptance or, if possible, at the end of the academic year.
2. If the student exhibits inappropriate department.
3. At the end of the academic year that placement is granted.
4. Any unused tuition will be prorated and refunded.

Placement Priorities

The Board recognizes its obligation to accept out-of-District students meeting mandatory placement criteria established by state law. Once these obligations have been met, applications will be given priority in the following order:

1. Children in the immediate family of nonresident District employees.
2. Students who attend the school the preceding year. The number of years attending will also be considered a factor in favor of continued placement.
3. Currently attending Anderson out-of-District students must apply by April 1st preceding the academic year of enrollment to retain their priority status. If students do not meet the April 1st deadline, their applications will be considered on a chronologically received basis with all other new out-of-District applications. Completed forms will be dated upon delivery to the school office.
4. Students who have siblings attending the school.
5. Students who have previously attended the school.
6. Students whose legal residence is directly adjacent to the boundaries of the District, and whose parent or legal guardian owns property in the District.
7. Students whose legal residence is directly adjacent to the boundaries of the District.
8. Students whose parent or legal guardian owns property in the District.
9. Students entering grade 6, 7, or 8, whose legal residence is within the boundaries of Cottonwood School District #22.
10. When all of the above criteria are equal among applicants, the order in which the application was delivered to the school office will be the deciding factor in approving applications.

Tuition

Tuition will be charged, and computed as determined by state law, to any student accepted.

1. If there is a sending district, that district will pay the tuition, which will be computed on the actual school year attended and be paid in full the following school year.
2. **Tuition paid privately:** Tuition shall be paid at the rate set by the Office of Public Instruction. Payment of fees must be made in the following manner:
 - a. 1/2 payment, of total due, made by August 31 of the current school year.
 - b. Remaining tuition payment is due by December 11 of the current school year.
 - c. The tuition rate must be reduced by the amount that the parent or guardian of the child paid in district property taxes during the immediately preceding school fiscal year for the benefit and support of the district in which the child will attend school.

The Board will not admit any student expelled from another school district.

Students not currently enrolled in a school will be tested to determine placement.

Nonresident students enrolled under this policy are subject to all district policies, rules, regulations on the same basis as resident students.
