GF= gluten free

DF= dairy free

Dear Anderson families,

Our lunch program is looking a little different right now. This is to ensure we provide the safest possible food service to our students & staff.

Self-service salad & soup bar will not be available at this time. Instead, we will have pre-made salads & soup. Salad will include mixed-greens, carrot sticks, cucumber slices, grape tomatoes, home-made Ranch, daily fruit, croutons, roll with butter & jelly. Fridays I will be making a specialty salad option.

Hot lunch will be pre-portioned. There will not be a self-serve topping & condiment station during this time.

We will be using eco-friendly, plant-based disposable food containers, cups & utensils as well.

My staff & I are all ServSafe certified. That means we are all professionally trained with current food safety & sanitization knowledge. We are taking every precaution to prepare & serve the nutritious, delicious lunches that Anderson School has become know for!

Our school has gone **PEANUT FREE** this year. So please keep that in mind when sending lunches & snacks from home.

Sincerely,

Miss Sally
