

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

**Asbestos Monitoring Waiver for
ANDERSON SCHOOL BROWN SCHOOL**

Our water system has been granted a waiver for asbestos sampling. As our customers, you have a right to know why we are not sampling for asbestos.

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of that the drinking water has or has not met health standards. We will not conduct monitoring for asbestos because we have been granted a waiver by DEQ. This waiver is based on our certification that there is no asbestos concrete pipe in the distribution system.
