

SEASONS GREETINGS

AND REMINDERS

SUPERINTENDENT'S NOTE

Dear Anderson Families,

I want to take this opportunity to wish you and your family a very happy holiday season. I am incredibly grateful to be a part of this amazing community, especially during these unprecedented times. I have been inspired by the dedication and enthusiasm of the Board of Trustees, staff, students, parents, and Anderson Parent Council to make Anderson a remarkable educational institution.

As we bring 2021 to a close, we have so much to look forward to in 2022, with more sports to be enjoyed and the return of the Anderson Drama program with a production of Matilda April 6-9. We also will do a school wide STEAM week March 7-11 and some of our classes will get to enjoy a Bridger Bowl ski trip. This is all in addition to the amazing learning opportunities that occur daily in Anderson's classrooms.

As you think about end of year and holiday giving, we have a new way to give to Anderson School through an opportunity provided by the state of Montana that gives you tax credit with the state. Please read the attached letter (below) for more information. Also, our APC is still busy with their In Lieu of Lunch fundraiser for "Sally's Soup and Salad Bar." Please consider donating if you have not at this [link](#). If you have already donated, thank you for your generosity.

I wish you and your family a wonderful winter break and a happy and healthy New Year! I look forward to greeting your children when we return to school on January 3rd.

Fondly,

Kristi Jacobs

TAKE IT AND ACTION! MATILDA RETURNS TO ANDERSON

Dear Parents of Fourth through Eighth graders,

We are so very excited to announce our plans to relaunch "Matilda" in April, 2022.

We are recasting the play. Legs have grown; voices changed; children have moved; high school happened- two years running...

This production will employ many Covid precautions, including smaller groups on stage. Fourth graders will serve as their own cohort, invited to be in one or two songs, (sitting in the audience), but not cast in mixed cohort songs or leads. We look forward to safer times of filling the stage with larger ensembles. We are so grateful to re-launch this program; but we are aware of the compromises live theater makes during a pandemic.

Quite honestly, we can *HARDLY CONTAIN OUR EXCITEMENT* about dusting off our 25th anniversary production. Keep your eyes peeled for an email at the end of break with more details and registration forms .

JANUARY 3RD - OUT OF DISTRICT APPLICATIONS

Beginning on Monday, January 3rd, 2022, we will begin accepting [out of district applications](#) for the 2022-2023 school year. All out of district students must submit a new application each year for consideration of enrollment in the following school year. Current student out of district applications will be addressed by the board for 22-23 enrollment in spring of 2022.

***REMINDER:** All current out of district tuition must be paid in full for consideration for next year. Final payment on 21-22SY tuition was due on December 11th.
