Harvest of the Month

May Harvest of the Month is Bison. Be on the lookout for bison products in our lunch menu. All Bison is locally sourced via Pioneer Meats Also we are continuing with our Montana Made Marinara. All tomato based foods are made from locally sourced marinara sauce grown and produced in the state of Montana. In

addition we are now serving Wheat Montana Bread products to continue our local food procurement program. Exciting news is that Anderson School is finally participating in the Local Beef Program. All beef products will now be sourced from local ranchers from Pioneer Meats in Big Timber. Thank you to Pioneer Meats for being our supplier of this amazing program that gives back to the community and local beef/cattle industry.

If you have any questions, comments or concerns, please feel free to contact me.
